DURING YOUR TIME VOLUNTEERING FOR A COMMUNITY ACTIVITY OR PROJECT, WHAT IS YOUR MOST MEMORABLE MOMENT?

I've always enjoyed giving back. A specific time volunteering in High School comes to mind as the most memorable. A group of us high school students from different schools in the area would volunteer with a nonprofit that provides home repair for low-income houses. One summer we all took a long bus ride down near New Orleans, to help repair some of the houses that were still impacted by hurricane Katrina. At the beginning of the trip, after just arriving, we were all playing games, and naturally, things get competitive with high school kids. Somehow this devolves into one of the young lady volunteers, not double but triple dog daring all the guys to shave their heads into mohawks. Naturally, we couldn't concede such a challenge. So, needless to say, had a lot to explain when I got home but was a fun trip, where we repaired several houses in deteriorating condition!

IN YOUR OPINION, HOW DO YOU CONTRIBUTE TO THE COMMUNITY? PLEASE BE AS DETAILED AS YOU CAN.

I contribute to the community with my time, talent, and resources as often as I can! Specifically, having a volunteer board role with the American Cancer Society. Where we focus on fundraising to end cancer! While cancer is a worldwide challenge, a lot of the work we do impacts the Charlotte community directly.
