TELL US A LITTLE BIT MORE ABOUT YOU?

I was born and raised in Greenville, SC. I lived in Orlando, FL for three years after receiving my undergrad degree from University of South Carolina. I now live in Charlotte, where I am working full time while in pursuit of my MBA at Wake Forest. I'm focused and driven, but I also take time to enjoy life. I enjoy traveling and weekend trips to reset and slow down. I am a lover of animals and I have spent the last fifteen years caring for my disabled shih tzu. I also play the role of favorite aunt ever to my two adorable kid nephews.

DURING YOUR TIME VOLUNTEERING FOR A COMMUNITY ACTIVITY OR PROJECT, WHAT IS YOUR MOST MEMORABLE MOMENT?

During the COVID-19 lockdowns, I developed a strong presence promoting Charlotte on social media by facilitating virtual networking events. My most memorable moment was facilitating a virtual event in 2020 to feature Women in Business which focused on successful leaders across the U.S. offering advice and coaching to the future Women Leaders of the Charlotte community.

IN YOUR OPINION, HOW DO YOU CONTRIBUTE TO THE COMMUNITY? PLEASE BE AS DETAILED AS YOU CAN.

As Vice President of Business Development with The Charlotte Business Group, I have dedicated my time to helping keep the Charlotte networking scene active during the pandemic. I helped raise money for local charities, facilitated virtual networking panels, and even brought international corporate fintech partnerships to the Queen City all the way from London. I did this by getting creative during the COVID-19 lockdowns and taking advantage of the digital environment to prospect fintech connections that would have been otherwise unattainable.
